

COVID-19 Policy (*approved 2/10/22*)

Sunriver Women's Club follows all current CDC and OHA guidelines pertaining to the COVID-19 pandemic and expects members, guests and volunteers to do the same. Effective February 16, 2022, the following must be followed for all SRWC-sponsored indoor events:

- Masks are required to be worn, regardless of vaccination status.
- Masks may be removed when seated at a table eating or drinking.

The SRWC will continue to observe federal, state, county, and venue restrictions and adjust this policy as needed.
